Embassy San Salvador- Social Media Analysis to Combat Visa Fraud

Project Title	Embassy San Salvador- Social Media Analysis to Combat Visa Fraud
Project Summary	Monitor social media and radio and analyze visa fraud trends in El Salvador. Assess the effectiveness of the Fraud Prevention Unit's annual public outreach campaign to combat visa fraud and prevent visa applicants from being victimized by scammers.
Country	El Salvador

Project Description

Interested in helping the U.S. Embassy in San Salvador combat visa fraud? The Fraud Prevention Unit is seeking two eInterns with strong Spanish skills who are also savvy with social media to monitor open source social media websites and radio broadcasts for chatter about obtaining U.S. visas in El Salvador. This internship will help us stay abreast of new trends in visa fraud and protect U.S. borders.

Required Skills or Interests

Skill(s)
Analytical writing
Data analysis
Research

Additional Information

You will also help us assess the effectiveness of our annual fraud prevention public outreach campaign to prevent visa applicants from being victimized by scammers by monitoring and compiling responses to our outreach materials that appear in social media and radio broadcasts from October-December 2018.
